Excellence in EMS Quality and Safety

Criteria:

The service must have implemented a practice or made a significant contribution that enhances the focus on the delivery of EMS in the community.

The practice should lead to a measurable and sustained improvement in EMS provider safety, patient care quality and effectiveness, or efficiency of EMS Response or resource deployment.

The application must include a program description, the methodology used to achieve change, a description of the outcomes and lessons learned that provide insight in to what it takes to accomplish and sustain a successful change.

(Two honorable mention awards will also be selected.)

Eligibility:

Applicant is a NYS based EMS service or individual provider.

Commissioner of Health's Award of Excellence in EMS Activities*

Criteria:

Exceptional contribution to EMS activities by an individual in any way.
