

HVREMSCO and HVREMAC Policy and Procedures Manual

Policy Name: Medical Control Provider Credentialing	
Policy Number: CR-MC-10	
Approved by: REMAC	Effective Date: 6/5/2017
Revision Date(s): 4/26/2016	Page 1 of 1

Purpose: Provide Medical Control Facilities with the credentialing process for the following levels of practitioners:

- Current Physician
- Physician Assistant
- Nurse Practitioner

Medical Directors of an ALS agencies authorized by the HVREMAC to operate in the Hudson Valley Region, as defined the Hudson Valley Regional EMS Council Medical Control Plan must also maintain current credentials.

Documentation for Credentialing:

- HVREMAC Credentialing Application
- NYS Driver's License/Government issued Photo ID
- Verification of NYS Licensure
- Completed Medical Control Affiliation Form

Re-Certification Process for Medical Control Credentialed Providers:

Medical Control representative credentials are issued on a biennial basis becoming effective on 1 January and continuing through 31 January of the second year. Medical Control Facilities must verify Medical Control representatives operating at their facility annually and on a schedule to be determined by the HVREMSCO.
