The [Collaborative Protocol Comparison Document](#) is an important document intended to familiarize you with the changes made in the 2019 Collaborative Protocols. While the Hudson Valley Region is providing this document as a guide to the changes, it is incumbent on all providers operating within the Hudson Valley Region to be knowledgeable regarding all protocols and changes and this guide has been created to assist you in this process. This notice is to certify that you have been notified, received, and reviewed the Collaborative Protocol Comparison Document. Once you have reviewed the Collaborative Protocol Comparison Document, this form must be signed and supplied to all agencies for which you operate. All forms must be submitted to the Hudson Valley Regional Office no later than 12/31/2019.

I, _____, hereby certify that I have received and reviewed both the 2019 Collaborative Protocol Comparison Document and the 2019 Collaborative Protocols.
